### UPDATED HEALTH REGULATIONS:

- **Before unloading livestock:** All animals must be inspected prior to unloading. Unloading must occur between 6am and midnight. If exhibitors are planning to arrive prior to 7am or after 10pm, they may wish to call in advance to ensure that one of the state veterinarians is on the grounds when they arrive, except on Tuesday, when someone will already be on the grounds at 6am. Contact numbers for each date will be available from species superintendents and will be posted at the veterinary inspection tent during the Fair. Animals should NOT be unloaded directly into the tie-out area before they are inspected by the state veterinarian on duty.
  - \* **A change in cattle identification requirements** due to the animal disease traceability rule (9CFR Part 86) went into effect March 11, 2013. All cattle moved interstate for exhibition regardless of age or sexual status must be officially identified with a USDA tag or 840 series RFID tag. A certificate of veterinary inspection and importation permit number from the ND State Board of Animal Health are also required for out of state cattle. For more information, see "Health Requirements" section.
- **The drug screen policy may be enforced at the 2018 ND State Fair.** Grand and Reserve Champion market beef, swine, lamb and goats will be subjected to a drug screen immediately following completion of judging. This drug screen may include tests for detection of: (1) Steroids (2) Tranquilizers (3) Antibiotics (4) Diuretics (5) Sulfas (6) Non-Steroidal Anti-inflammatory Drugs (NSAIDs) (7) Stimulants. Penalty if test comes back positive (1) Disqualification of animal (2) Forfeit of premiums (3) Exhibitor banned from exhibiting any species the following year.
- All beef will be stalled on wood chips. No straw will be allowed in the Beef or Expo Barn.
- The open class entry fee is **\$6 per class, plus \$14 per head for bedding** in the Beef Barn. Specify special stalling needs on entry forms. Late entries have no stall guarantees. Canadian exhibitors at par for entry and stall fees, compliments of ND State Fair.
- **Due to limited space in the West Lot, livestock trailers will be required to park off grounds. Tow vehicle can park in West Lot with appropriate pass and providing there is space available.** Vehicle passes must be purchased in advance of the first day of Fair, and will not be available for purchase at the gate. Please order on the entry blank. Livestock vehicles will be allowed on the grounds between 8pm and 10am. No admittance between 10am and 8pm except for unloading or loading of livestock.
- Superintendents will stall cattle in the barns upon receipt of entry fees and veterinarian approval.

Calves may be shown in only one class. All animals shown in the group and herd classes must have been entered and shown in one of the classes for single animals.
- Animals must be exhibited in the officially recorded owner's name.
- **Fan Policy:** no fans or fan stands of any type will be allowed in the barn aisles.
