

**North Dakota State Fair
2018 Milk-a-Cow Contest
Wednesday, July 25, 2018
4pm in the Expo Barn**

Test your skills as a farm hand and win a prize! Two people at a time milk our cow as fast as they can to see if they could survive the "good old days on the farm." This contest is open to fairgoers of all ages! Our "Bessy" always has a smile, and her "milk" is made with non-toxic food dye.

GENERAL RULES

1. Each contestant will attempt to milk an artificial cow one time using only their hands.
2. Two players at a time will milk the cow for 15 seconds, trying to fill their bucket fuller than the opponent.
3. Contestants will draw for milking order prior to the contest.
4. Contestants will be timed using a stopwatch. The contestant who fills their bucket the fullest within the allotted time wins. Contestants with the two fullest buckets in their group will win a prize.
5. Contestants must choose one of three divisions to compete in: men, women, or kids
6. The kids division is for children 12 & under.
7. Contestants who interfere with another player's bucket will be disqualified.
