UPDATED HEALTH REGULATIONS:

- **Before unloading livestock:** All animals must be inspected prior to unloading. Unloading must occur between 6am and midnight. If exhibitors are planning to arrive prior to 7am or after 10pm, they may wish to call in advance to ensure that one of the state veterinarians is on the grounds when they arrive, except on Tuesday, when someone will already be on the grounds at 6am. Contact numbers for each date will be available from species superintendents and will be posted at the veterinary inspection tent during the fair. Animals should NOT be unloaded directly into the tie-out area before they are inspected by the state veterinarian on duty.
 - **Out-of-state Swine:** A certificate of veterinary inspection (CVI) is required with a permit number and the animals must be identified by one form of permanent and one other form of approved official use tag.
 - All swine must be inspected and the CVI issue within 30 days of the movement.
 - The following Porcine Epidemic Diarrhea virus (PEDv) statement is required on all CVIs and must be signed by the owner as well as the veterinarian. "The premises the swine are originating from has not had signs or a diagnosis of Transmissible Gastroenteritis (TGE) or Porcine Epidemic Diarrhea virus (PEDv) in the last 60 days." For more information, see "Health Requirements" section.
- **The drug screen policy may be enforced at the 2017 ND State Fair.** Grand and Reserve Champion market beef, swine, lamb and goats will be subjected to a drug screen immediately following completion of judging. This drug screen may include tests for detection of: (1) Steroids (2) Tranquilizers (3) Antibiotics (4) Diuretics (5) Sulfas (6) Non-Steroidal Anti-inflammatory Drugs (NSAIDs) (7) Stimulants. Penalty if test comes back positive (1) Disqualification of animal (2) Forfeit of premiums (3) Exhibitor banned from exhibiting any species the following year.

DECLARATION OF WEIGHT PROCEDURES:

- * The Swine Show will operate under a Declare Your Weight process for market animals as well as crossbred breeding gilts. This means each exhibitor will be responsible for weighing his or her own hogs during the weigh-in period on Tuesday, July 25. The weigh-in period will run from noon until 4pm. Weight cards will be available Tuesday morning for exhibitors to pick up to record their pig's weight and other required information. The cards will be in triplicate form. The first copy must be submitted to 4-H or FFA, the second copy will be turned in to the open class superintendent, and the third copy will be for the exhibitor's records. Required information will be the exhibitor's name; exhibitor's number; pig tag number; whether the animal is a barrow or gilt and market or breeding gilt; and pig weight on the 4-H/ FFA card circle indicating in which show the animal will be shown. Use the other card circle if it will be shown in the open and junior show. All weight cards must be submitted to the appropriate superintendents by 4:30pm on Tuesday, July 25. If weight cards are not turned in by the 4:30pm deadline, those animals will not be eligible to show in their respective shows.
- * Along with the Declare Your Weight, a weigh-back is required for each of the shows. The top two animals in each class will be weighed during their class to determine if they are eligible to return for the overall drive. If a pig does not weigh within the allotted plus/minus 15-pound weight allowance, it will not receive a placing for that class and will not be eligible for champion/reserve market hog competition. The next pig in the lineup will move up in class and be called to the scale for a weight check.

- * Following the weigh-in time period and declaration of weight, the management will determine the splitting of the classes according to the weight distribution and number of animals, with no more than 15 in a group. Class weight breakdowns will be posted.
- Entry fee is **\$6.00 per head for breeding classes** and **\$6.00 per head for market hogs**. Canadian friends at par for entry and stall fees, compliments of Visit Minot. Specify special stalling needs on entry forms. Late entries have no stall guarantees.
- Wood chips will be available for bedding - \$8.00/ bag
- When filling out entry form, be sure to list breed. All breeding animals must have association registration papers. Animals must be exhibited in the officially recorded owner's name.
- Breeding swine classes will have a maximum class size of 15 head. If a class exceeds 15 head, the registered classes will be split by date of birth and the grade classes will be split by weight.
- Junior yearling sows shall have farrowed and suckled a litter or show ample evidence of carrying a litter at the time of exhibition.
- **Due to limited space in the West Lot, livestock trailers will be required to park off grounds. Tow vehicle can park in West Lot with appropriate pass and providing there is space available.** Vehicle passes must be purchased in advance of the first day of Fair, and will not be available for purchase at the gate. Please order on the entry blank. Livestock vehicles will be allowed on the grounds between 8pm and 10am. No admittance between 10am and 8pm except for unloading or loading of livestock.
- **All hogs must have large, legible ear tags (not just a metal clip), large enough to read at a distance.**
- Due to limited space, pigs will be stalled by the number of head entered. If you have pigs that cannot be stalled together, you will have to make arrangements for those animals in the pens allotted to you. This may mean bringing your own portable panels to split pens. There will be no tack pens allowed unless room permits.
- **Fan Policy:** no fans or fan stands of any type will be allowed in the barn aisles.
- The **Herdsmen Award**, awarded to an exhibitor of swine, is based on neatness and general appearance of the exhibit, as well as the exhibitor's cooperation and courtesy throughout the exhibition period.
