- **Before unloading livestock:** All animals must be inspected prior to unloading. Unloading must occur between 6am and midnight. If exhibitors are planning to arrive prior to 7am or after 10pm, they may wish to call in advance to ensure that one of the state veterinarians is on the grounds when they arrive, except on Tuesday, when someone will already be on the grounds at 6am. Contact numbers for each date will be available from species superintendents and will be posted at the veterinary inspection tent during the Fair. Animals should NOT be unloaded directly into the tie-out area before they are inspected by the state veterinarian on duty.
- **Out-of-state cattle** must all be officially identified, regardless of age or sex, and will need a certificate of veterinary inspection and permit number from the ND State Board of Animal Health. To obtain the importation permit number, veterinarians should call 701-328-2655. For any livestock being imported from Canada please contact the North Dakota State Board of Animal Health at 701-328-2655 and the USDA - APHIS, Veterinary Services at 701-250-4210.

Tow vehicle can park in West Lot with appropriate pass and providing there is space available.** Vehicle passes must be purchased in advance of the first day of Fair, and will not be available for purchase at the gate. Please order on the entry blank. Livestock vehicles will be allowed on the grounds between 8pm and 10am. No admittance between 10am and 8pm except for unloading or loading of livestock.
