• **Entries will close July 6 at 5 pm.** Entries may be made after that day by paying double the normal fees. Entries will not be received after 11am on Friday, July 22. Only entries received before the July 6 deadline will be listed on the show program. ***IF FIVE PAID ENTRIES IN ONE BREED HAVE NOT BEEN RECEIVED BY THE ENTRY DEADLINE, LIVESTOCK WILL BE REQUIRED TO SHOW IN THE OTHER BREEDS DIVISION.***

• **Barns will be locked until 3pm Thursday, July 21**

• **No early arrivals or releases.** Swine exhibitors must check in with swine superintendent upon arrival for pen assignments. Swine may not arrive prior to 12:00am Tuesday, July 26. Those wishing to arrive at times other than those listed must contact the ND State Fair office: 701-857-7620. Any requests for early release must be approved by the ND State Fair Board.

### HEALTH REGULATIONS:

• **Before unloading livestock:** All animals must be inspected prior to unloading. Unloading must occur between 6am and midnight. If exhibitors are planning to arrive prior to 7am or after 10pm, they may wish to call in advance to ensure that one of the state veterinarians is on the grounds when they arrive, except on Tuesday, when someone will already be on the grounds at 6am. Contact numbers for each date will be available from species superintendents and will be posted at the veterinary inspection tent during the fair. Animals should NOT be unloaded directly into the tie-out area before they are inspected by the state veterinarian on duty.

• **Out-of-state Swine:** All swine must be identified with an official ear tag. The following Porcine Epidemic Diarrhea virus (PEDv) statement is required on all CVIs and must be signed by the owner as well as the veterinarian. "The premises the swine are originating from has not had signs or a diagnosis of Transmissible Gastroenteritis (TGE) or Porcine Epidemic Diarrhea virus (PEDv) in the last 60 days." For more information, see "Health Requirements" section.

• **In-state:** Swine will be checked by the veterinarian as they enter the barns

• **The drug screen policy may be enforced at the 2022 ND State Fair.** Grand and Reserve Champion market beef, swine, lamb and goats will be subjected to a drug screen immediately following completion of judging. This drug screen may include tests for detection of: (1) Steroids (2) Tranquilizers (3) Antibiotics (4) Diuretics (5) Sulfas (6) Non-Steroidal Anti-inflammatory Drugs (NSAIDs) (7) Stimulants. Penalty if test comes back positive: (1) Disqualification of animal (2) Forfeit of premiums (3) Exhibitor banned from exhibiting any species the following year.

• **Entry fee is \$6.00 per head for breeding classes and \$6.00 per head for market hogs.** Canadian exhibitors at par for entry fees, compliments of ND State Fair. Specify special stalling needs on entry forms. Late entries have no stall guarantees.

• Wood chips will be available for bedding

• When filling out entry form, be sure to list breed. All breeding animals must have association registration papers. Animals must be exhibited in the officially recorded owner's name.

• Breeding swine classes will have a maximum class size of 15 head. If a class exceeds 15 head, the registered classes will be split by date of birth and the grade classes will be split by weight.

• Junior yearling sows shall have farrowed and suckled a litter or show ample evidence of carrying a litter at the time of exhibition.

• Livestock trailers and livestock vehicles will be required to park off grounds. Camper vehicle can park in assigned camping lot with appropriate pass. All vehicles used to transport livestock and/or RV's must have a valid auto pass. Vehicles without passes will be towed at the owner's expense. Vehicle passes must be requested in advance of the first day of Fair, and will not be available at the gate. Livestock load/unload passes will be limited to one (1) per family and can be requested on the livestock entry form. These passes will only be used to load/unload livestock and tack during entry and release times. Tack stored off grounds can only be unloaded from 6:00AM to 10:00AM and 7:00PM to 9:00PM.

• **All hogs must have large, legible ear tags (not just a metal clip), large enough to read at a distance.**

• Due to limited space, pigs will be stalled by the number of head entered. If you have pigs that cannot be stalled together, you will have to make arrangements for those animals in the pens allotted to you. This may mean bringing your own portable panels to split pens. There will be no tack pens allowed unless room permits.

• **Fan Policy:** no fans or fan stands of any type will be allowed in the barn aisles.

• **The Herdsman Award,** awarded to an exhibitor of swine, is based on neatness and general appearance of the exhibit, as well as the exhibitor's cooperation and courtesy throughout the exhibition period.

**DECLARATION OF WEIGHT PROCEDURES:**

- The Swine Show will operate under a Declare Your Weight process for market animals as well as crossbred breeding gilts. This means each exhibitor will be responsible for weighing his or her own hogs during the weigh-in period on Tuesday, July 26. **The weigh-in period will run from noon until 4pm.** Weight cards will be available Tuesday morning for exhibitors to pick up to record their pig’s weight and other required information. The cards will be in triplicate form. The first copy must be submitted to 4-H or FFA, the second copy will be turned in to the open class superintendent, and the third copy will be for the exhibitor’s records. Required information will be the exhibitor’s name; exhibitor’s number; pig tag number; whether the animal is a barrow or gilt and market or breeding gilt; and pig weight on the 4-H/ FFA card circle indicating in which show the animal will be shown. Use the other card circle if it will be shown in the open and junior show. All weight cards must be submitted to the appropriate superintendents **by 4:30pm on Tuesday, July 26.** If weight cards are not turned in by the 4:30pm deadline, those animals will not be eligible to show in their respective shows.
- Along with the Declare Your Weight, a weigh-back is required for each of the shows. The top three animals in each class will be weighed during their class to determine if they are eligible to return for the overall drive. If a pig does not weigh within the allotted plus/minus 15-pound weight allowance, it will not receive a placing for that class and will not be eligible for champion/reserve market hog competition. The next pig in the lineup will move up in class and be called to the scale for a weight check.
- Following the weigh-in time period and declaration of weight, the management will determine the splitting of the classes according to the weight distribution and number of animals, with no more than 15 in a group. Class weight breakdowns will be posted.
