### **RULES REGARDING SPECIE SCHEDULE & BARN:**

- No early arrivals or releases. Swine may arrive on Monday, July 22 from 9:00pm - 11:00pm or Tuesday, July 23 from 7:00am - 11:00am.
- Swine exhibitors must check in with swine superintendent upon arrival for pen assignments.
- Wood chips for bedding will be available for purchase.
- Livestock trailers and livestock vehicles will be required to park off grounds. Camper vehicle can park in assigned camping lot with appropriate pass. All vehicles used to transport livestock and/or RV's must have a valid auto pass. Vehicles without passes will be towed at the owner's expense. Vehicle passes must be requested in advance of the first day of Fair, and will not be available at the gate. Livestock load/unload passes will be limited to one (1) per family and can be requested on the livestock entry form. These passes will only be used to load/unload livestock and tack during entry and release times. Tack stored off grounds can only be unloaded from 6:00AM to 10:00AM and 7:00PM to 9:00PM. For more information, please see page 8
- Due to limited space, pigs will be stalled by the number of head entered. If you have pigs that cannot be stalled together, you will have to make arrangements for those animals in the pens allotted to you. This may mean bringing your own portable panels to split pens. There will be no tack pens allowed unless room permits.
- **Fan Policy:** No fans, fan stands, or butt fans of any type will be allowed in the barn aisles.
- See Page 14 for Health Regulations
- See Page 6 for General Rules & Information

**RULES REGARDING ENTRIES:**

- **Entries will close July 6 at 5pm.** Our online entry system is the preferred method and can be found on ndstatefair.com. For a step-by-step, please see page 12.
- Only entries received by the July 6 deadline will be listed on the show program and receive their passes in the mail, if any were requested. Any entry after the deadline that requested passes, the passes can be picked up at the NDSF office **prior** to fair or at Gate F during the fair.
- Entries may be made after the deadline by paying triple the normal fees. **Entries will not be received after 5pm on Friday, July 12.**
- If five paid entries in one breed have not been received by check-in deadline, livestock will be required to show in the other breeds division.
- Specify special stalling needs on entry forms. Late entries have no stall guarantees.
- When filling out entry form, be sure to list breed. All breeding animals must have association registration papers. Animals must be exhibited in the officially recorded owner's name.
- Breeding swine classes will have a maximum class size of 15 head. If a class exceeds 15 head, the registered classes will be split by date of birth and the grade classes will be split by weight.
- Junior yearling sows shall have farrowed and suckled a litter or show ample evidence of carrying a litter at the time of exhibition.
- All hogs must have large, legible ear tags (not just a metal clip), large enough to read at a distance.

**DECLARATION OF WEIGHT PROCEDURES:**

- The Swine Show will operate under a Declare Your Weight process for market animals as well as crossbred breeding gilts. This means each exhibitor will be responsible for weighing his or her own hogs during the weigh-in period on Tuesday, July 23. **The weigh-in period will run from noon until 4pm.** Weight cards will be available Tuesday morning for exhibitors to pick up to record their pig's weight and other required information. The cards will be in triplicate form. The first copy must be submitted to 4-H or FFA, the second copy will be turned in to the open class superintendent, and the third copy will be for the exhibitor's records. Required information will be the exhibitor's name; exhibitor's number; pig tag number; whether the animal is a barrow or gilt and market or breeding gilt; and pig weight on the 4-H/ FFA card circle indicating in which show the animal will be shown. Use the other card circle if it will be shown in the open and junior show. All weight cards must be submitted to the appropriate superintendents **by 4:30pm on Tuesday, July 23.** If weight cards are not turned in by the 4:30pm deadline, those animals will not be eligible to show in their respective shows.
- Along with the Declare Your Weight, a weigh-back is required for each of the shows. The top three animals in each class will be weighed during their class to determine if they are eligible to return for the overall drive. If a pig does not weigh within the allotted plus/minus 15-pound weight allowance, it will not receive a placing for that class and will not be eligible for champion/reserve market hog competition. The next pig in the lineup will move up in class and be called to the scale for a weight check.
- Following the weigh-in time period and declaration of weight, the management will determine the splitting of the classes according to the weight distribution and number of animals, with no more than 15 in a group. Class weight breakdowns will be posted.

**The Herdsman Award**

Awarded to an exhibitor of swine, is based on neatness and general appearance of the exhibit, as well as the exhibitor's cooperation and courtesy throughout the exhibition period.
