The North Dakota State Fair will feature North Dakotans who have special talents such as juggling, singing, dancing, magic, etc., and would like the opportunity to perform at the Fair. Submissions have to be a clean version and may not include swearing, racial slurs, etc.

We will schedule your performance at Stage 2 in West Park. Sets will be in 30-minute increments, with allotted time between each performance for set up. We will contact you to let you know your performance schedule. Contact us if you are willing to perform multiple times on your scheduled day or throughout the Fair.

Limited musical equipment is suggested, as no vehicles are allowed to drive to the area to drop off instruments and equipment. The North Dakota State Fair will provide a PA System. The performer must provide their own auxiliary cord.
