

North Dakota State Fair

2026 North Dakota State Fair Clover Point of Sale Registration

Though we know you can choose to use many types of digital point-of-sale registers, Clover under the Fair and Festival partnership would love the opportunity to earn your business at this year's North Dakota State Fair. The benefits of working with Clover with this team include:

- Priority customer service support line, throughout the duration of the fair
- Onsite support leading up to fair
- Reduced monthly rental and or purchasing hardware rates
- Reduced card processing rates
- No long-term contract
- Seasonal flexibility with no monthly nor annual fees during off-season months

Vendors may rent or purchase a device(s) as makes sense for their business; however, any vendors purchasing or owning these devices should be sure they are complying with the North Dakota State Fair rules and regulations.

Should we have the privilege to earn your business, we ask that orders are placed as soon as possible.

All digital point-of-sales, at the North Dakota State Fair are asked to have customer-facing display, connected cash drawer, receipt printer and each location must report independently
